What People Say About Bob's Training

"The training exceeded my expectations - which were high to begin with. Bob Hoglund is the kind of trainer who checks for understanding and satisfaction as he goes. This ensures no "holes" in the foundation that each trainee builds on which to base their own practices. The practice sessions gave me much appreciated feedback, something I have not received in the past 24 years! He is a great role model!"

Susan Shoemaker / Fort Myers, FL

"Reality Therapy (which I learned from Bob) is by far, the most effective tool that I developed and used in my 35 years of dealing with kids in public education."

Dave Geiss / Pittsburgh, PA
