

Reflection and Planning

1. How well did I do at creating a positive, supportive, trusting working and learning **Environment**?
2. How well did I do creating and maintaining academic and behavioral expectations for the **Environment** and for student learning?
3. How effective was I in creating meaningful **Evaluations** (Assessments) and using them to increase student achievement?
 - With what areas am I most satisfied? How do I know?
 - With what areas am I somewhat satisfied? How do I know?
 - What area(s) do I most want to address this semester?
 1. _____
 2. _____
 3. _____

PDSA

Plan: Based on my Reflection...

My SMART Goal is: _____

My Action Steps are:

1. _____
2. _____
3. _____
4. _____

The data I will collect is:

Do: How well did I follow the plan? What were the results...

Study: After looking at the data, I think...

Act: To improve, I'm going to...
